INGERSOLL'S FRIEND.

A Story Vouched For By A Woman Resident Of Pennsylvania.

The incident was related by a Bradford lady who requested that her name be not mentioned in connection with it. "It was in Pittsburg," she said

"I believe in the Library Hall, where I first heard Col. Inger. filed out of the building. soll speak. There was a large

the Old Home. kind was known throughout heart.

"Mr. Clark, when he held Quickly cure constipation and rebuild and invigorate the entire Col. Ingersell's hand in his held system-never gripe or nauseateit tightly while he lifted his De Witts's Little Farly Ris rs.

eyes toward Heaven and prayed in a fervent manner that God would direct the wonderful talents of this man in another and better sphere. His prayer was not a long one, but it was from the heart and had its effect upon Ingersoll. The great agnostic, looking the good Christian in the eyes, thanked him most heartily for his kindness, and solemnly added that Mr Clark was the first Christian minister that had ever wished hin, godspeed. He then left the plat form and the audience slowly

"The sequel, though, shows audience gathered there among Ingersoll as he was. It brought them being clergyman and the out the manhood of the great cream of professional life of the agnostic. Rev. Alexander Clark city. Col. Ingersoll's speach was went West. I am not sure to magnificent from an oratorical what State he emigrated, but I standpoint, but his attack on believe it was Missouri, and religion and the Bible was blas- there he became ill. He was at phemous. However, the man's a hotel, and the Governor of powers as an orator and as an the State, who had known him actor made a deep impression many years, had him removed on his hearers and seemed to af- to his home. Mr. Clark grew fect one man in particular, the worse and was threatened with Rev. Alexander Clark, pastor of death. The news came East, the Methodist church, which and Ingersoll heard it in Wash and immediately went West as "At the conclusion of the lec- quickly as possible and was at from the stage in peculiarly minister and until the death of graceful manner, when the Rev. Mr. Clark, was almost constantand asked to be introduced to When Mr. Clark died, Ingersoll the speaker. This formality took charge of the remains and having been gone through, the brought them East to New Casminister and the agnostic clasp, the where they were buried. At ed hands, the minister with the funeral, after the officiating eagerness, the agnostic with a clergyman had concluded his grace peculiarly his own. I well sermon, the agnostic delivered remember the pleasant, hearty, an address touching upon the honest manner in which the grand life and character of the great Ingersoll grasped the dead man which moved his hand of the good minister, whose hearers to tears. It was one of fame as a Christian of the real his best efforts and from the tt has Automatic Tension, Double Peed, allke

condition of the Bishop and the raspberry: "Doubtless," he said, "God might have made a better berry. But doubtless, also, He never did." Why don't we better the sarsaparilla? We can't. We are using the same old plant that cured the Indians and the Spaniards. It has not been bettered. And since we make sarsaparilla compound out of sarsaparilla plant, we see no way of improvement. Of course, if we were making some secret chemical compound we might But we're not. We're making the same old sarsaparilla to cure the same old diseases. You can tell it's the same old sarsaparitta because it works the same old eures. It's the sovereign blood purifier, and -it's Ayers. ture Col. Ingersoll was backing the bedside of the Christian CET THE Mr. Clark bounded to the forum ly in attendance upon him. | Most Popular
